# GUEST SERVICES

We exist to be the visible expression of God’s love to every guest.

# GUIDE

# WELCOME

As a Guest Services volunteer, you have the unique opportunity to create an incredible guest experience for every person who attends our church. Think of your role as being the “host” in your home and of the church attenders as your “**guests.**” This guide is designed as a resource to help you in your volunteer role. Within its pages, you’ll find information that is applicable to all Guest Services volunteers regardless of what team you serve on.

## OUR MISSION

*Our mission is to be the visible expression of God’s love to every guest.* Our focus is on creating an exceptional guest experience from the time a person steps foot in our parking lot until they leave our campus. By the way...“seven minutes is all you get to make a positive first impression. In the first seven minutes of contact with your church, your first-time guests will know whether or not they are coming back. That’s before a single worship song is sung and before a single word of the message is uttered.” Fusion by Nelson Searcy (2017).

**Guest Services can’t afford to be a road bump for anyone trying to meet Jesus.**

## OUR VISION

Our vision is to put the needs of the guests ahead of our own because we realize...**it’s not about us!** We use our spiritual gifts and talents to welcome all people and to make them feel comfortable and secure in a friendly, casual warm environment.

## OUR WIN...

is to make people feel valued with a focused, warm welcome while meeting the needs of the guest.

### WE DO THIS BY...

- Remembering that every Sunday is someone’s first!
- Utilizing the 12 ft. rule – make eye contact with guests 12 feet out.
- Projecting positive body language – making eye contact, smiling & using welcoming gestures.
- Seeking opportunities to meet every guest’s needs.
- Delivering a “WOW” guest experience & leaving a positive impression.

# STANDARDS

## WE VALUE:

1. **HOSPITALITY** – We put the needs of the lost ahead of the preferences of the found. Therefore, we create worship environments that make it easy to find and follow Jesus.
2. **PEOPLE** – People matter to us because they matter to God. Therefore, we will do anything short of sin to connect people to Jesus and the church family.
3. **SPIRITUAL GROWTH** – We accept people wherever they are but love them too much to leave them there. Therefore, every person has a next step.
4. **SERVICE** – We have saved to serve like Jesus. Therefore, our service is committed, flexible, selfless, and humble.
5. **THE BIBLE** – We believe that the Bible is God’s divinely inspired, perfectly trustworthy, and final authority for our faith and practice. Therefore, we commit to align our daily practices with God’s divine principles.
6. **PARTNERSHIP** – The local church is the HOPE of the world. Therefore, we form partnerships with churches and organizations in order to mobilize every member to reach the whole world.
